Future developments. The IRS has created a page on IRS.gov for information about Publication 1542, at *www.irs.gov/pub1542*. Information about any future developments affecting Publication 1542 (such as legislation enacted after we release it) will be posted on that page.

Introduction

This publication is for employers who pay a per diem allowance to employees for business travel away from home within the continental United States (CONUS) (the 48 contiguous states), on or after October 1, 2010, and before January 1, 2011. It gives the maximum per diem rate you can use without treating part of the per diem allowance as wages for tax purposes. For a detailed discussion on the tax treatment of a per diem allowance, see chapter 11 of Publication 535, Business Expenses, or Revenue Procedure 2011-47, 2011-42 I.R.B. 520, which can be found on the Internet at *www.irs.gov/irb/2011-42_IRB/ar12.html*.

Per diem rates on the Internet. You will find links to per diem rates at *www.gsa.gov/perdiem*, including links to:

- CONUS per diem rates;

- Per diem rates for areas outside the continental United States (OCONUS), such as Alaska, Hawaii, Puerto Rico, and U.S. possessions; and

- Foreign per diem rates.

Publication 1542 revisions. Publication 1542 is available only on the Internet at IRS.gov. Print copies can no longer be ordered.

During the year, as changes to the federal per diem rates (updates) are announced by the General Services Administration (GSA), we will incorporate the changes into Publication 1542. An article on IRS.gov will alert you to which locations have updated rates. To reach these articles, go to *www.irs.gov/formspubs* and click on "Changes to Current Tax Products," under *Important Changes*. You will find the new rates in Table 4.

We will also incorporate mid-year changes to the high-low rates into Publication 1542. You will be alerted to these changes by a similar article on IRS.gov and can find the changes in Table 2 of the revised publication.

The annual changes, both federal per diem and high-low rates, will be incorporated into the publication as soon as possible after being announced by GSA and the IRS. The annual issue of the publication should be available each year in mid- to late-October.

How To Use Per Diem Rate Tables

This section contains information about the per diem rate substantiation methods available and the choice of rates you must make for the last 3 months of the year.

The Two Substantiation Methods

The tables in this publication reflect the high-low substantiation method and the regular federal per diem rate method.

High-low method. Tables 1 and 2 in this publication list the localities that are treated under the high-low substantiation method as high-cost localities for all or part of the year. Table 1 lists the localities that are eligible for $233 ($65 meals and incidental expenses (M&IE)) per diem, effective October 1, 2010. For travel on or after October 1, 2010, all other localities within CONUS are eligible for $160 ($52 M&IE) per diem under the high-low method.

Table 2 lists the localities that are eligible for $242 ($65 M&IE) per diem, effective October 1, 2011. For travel on or after October 1, 2011, the per diem for all other localities decreases to $163 ($52 M&IE).

Regular federal per diem rate method. Tables 3 and 4 give the regular federal per diem rates published by the General Services Administration (GSA). Both tables include the separate rate for meals and incidental expenses (M&IE) for each locality. The rates listed in Table 3 are effective October 1, 2010; those in Table 4 are effective October 1, 2011. The standard rate for all locations within CONUS not specifically listed in Table 3 is $123 ($77 for lodging and $46 for M&IE). For Table 4, this rate is $123 ($77 for lodging and $46 for M&IE).

Transition Rules

The transition period covers the last 3 months of the calendar year, from the time that new rates are effective (generally October 1) through December 31. During this period, you generally may change to the new rates or finish out the year with the rates you had been using.

High-low method. If you use the high-low substantiation method for an employee, when new rates become effective (generally October 1) you can either continue with the rates you used for the first part of the year or change to the new rates. However, you must continue using the high-low method for that employee for the rest of the calendar year (through December 31). Also, you must use the same rates for all employees reimbursed under the high-low method during that calendar year.

For example, Employee A travels extensively during March and April of 2012, and you determine A's travel allowance (reimbursement) using the high-low method (Table 2). Employee A does not travel again until November 2012. For A's November trip and any others during the remainder of 2012, you may continue using the same set of rates (Table 2) or change to the new rates that generally

will be effective in October. Assume that two of your other employees, B and C, are also reimbursed under the high-low method—your choice of rates must also apply to them.

For Employee A's travel on or after January 1, 2013, you must use the rates in effect for 2013, but may either continue with the high-low method or choose the regular federal per diem rate method. The choice of method stays in effect for the entire 2013 calendar year.

The new rates and localities for the high-low method are included each year in a revenue procedure that is generally published in mid- to late-September. You can find the revenue procedure in the weekly Internal Revenue Bulletin (IRB) on the Internet at *www.irs.gov/irb*.

Federal per diem rate method. New CONUS per diem rates become effective on October 1 of each year and remain in effect through September 30 of the following year. Employees being reimbursed under the per diem rate method during the first 9 months of a year (January 1–September 30) must continue under the same method through the end of that calendar year (December 31). However, for travel by these employees from October 1 through December 31, you can choose to continue using the same per diem rates or use the new rates. Your choice applies to all employees reimbursed under the per diem rate method during that calendar year. Just as for the high-low method, you must continue using the same method for an employee for the entire calendar year.

For example, Employees P and Q attend an industry conference in February 2012, and you reimburse their expenses using the per diem rate method (Table 4). Employee P attends other conferences in July (reimbursed using Table 4) and December 2012, while Employee Q's only other travel occurs in October 2012. When determining Q's travel allowance for the October travel, you must decide whether to continue with the old (Table 4) rates or adopt the new ones effective October 1, 2012. Your choice of rates will also apply to Employee P's December travel. Both employees must continue being reimbursed under the per diem rate method for travel through December 31, 2012. You can choose a new method for either or both employees; this choice will become effective on January 1, 2013.

The new federal CONUS per diem rates are published each year, generally early in September, on the Internet. Go to *www.gsa.gov/perdiem*.

! CAUTION
Per diem rates for localities listed in Table 4 may change at any time during the rest of 2011 or 2012. To be sure you have the most current rate, check IRS.gov for an updated Publication 1542, the other Internet website listed earlier under Per diem rates on the Internet*, or call the IRS at 1-800-829-1040.*

[1]**Transition rule.** In lieu of the updated GSA rates that will be effective October 1, 2011, taxpayers may continue to use the CONUS rates in effect for the first 9 months of 2011 (Table 3) for expenses of all CONUS travel away from home that are paid or incurred during calendar year 2011. A taxpayer must consistently use either these rates or the updated rates for the period of October 1, 2011, through December 31, 2011. See *Transition Rules* under *How To Use Per Diem Rate Tables* for an example.

[2]Unless otherwise specified, the per diem locality is defined as "all locations within, or entirely surrounded by, the corporate limits of the key city, including independent entities located within those boundaries."

[3]Per diem localities with county definitions shall include "all locations within, or entirely surrounded by, the corporate limits of the key city as well as the boundaries of the listed counties, including independent entities located within the boundaries of the key city and the listed counties (unless otherwise listed separately)."

[4]When a military installation or Government-related facility (whether or not specifically named) is located partially within more than one city or county boundary, the applicable per diem rate for the entire installation or facility is the higher of the two rates which apply to the cities and/or counties, even though part(s) of such activities may be located outside the defined per diem locality.

Note: Recognizing that all locations are not incorporated cities, the term "city limits" has been used as a general phrase to denote the commonly recognized local boundaries of the location cited.

Table 4. Maximum Federal Per Diem Rates (Effective October 1, 2011 – September 30, 2012)[1]

Note: The standard rate of $123 ($77 for lodging and $46 for M&IE) applies to all locations within the continental United States (CONUS) not specifically listed below or encompassed by the boundary definition of a listed point. However, the standard CONUS rate applies to all locations within CONUS, including those defined below, for certain relocation allowances. (See parts 302-2, 302-4, and 302-5 of 41 CFR.)

[1]**Transition rule.** In lieu of the updated GSA rates that will be effective October 1, 2012, taxpayers may continue to use the CONUS rates in effect for the first 9 months of 2012 (Table 4) for expenses of all CONUS travel away from home that are paid or incurred during calendar year 2012. A taxpayer must consistently use either these rates or the updated rates for the period of October 1, 2012, through December 31, 2012. See *Transition Rules* under *How To Use Per Diem Rate Tables* for an example.

[2]Unless otherwise specified, the per diem locality is defined as "all locations within, or entirely surrounded by, the corporate limits of the key city, including independent entities located within those boundaries."

[3]Per diem localities with county definitions shall include "all locations within, or entirely surrounded by, the corporate limits of the key city as well as the boundaries of the listed counties, including independent entities located within the boundaries of the key city and the listed counties (unless otherwise listed separately)."

[4]When a military installation or Government-related facility (whether or not specifically named) is located partially within more than one city or county boundary, the applicable per diem rate for the entire installation or facility is the higher of the two rates which apply to the cities and/or counties, even though part(s) of such activities may be located outside the defined per diem locality.

Note: Recognizing that all locations are not incorporated cities, the term "city limits" has been used as a general phrase to denote the commonly recognized local boundaries of the location cited.

How To Get Tax Help

You can get help with unresolved tax issues, order free publications and forms, ask tax questions, and get information from the IRS in several ways. By selecting the method that is best for you, you will have quick and easy access to tax help.

Free help with your return. Free help in preparing your return is available nationwide from IRS-certified volunteers. The Volunteer Income Tax Assistance (VITA) program is designed to help low-moderate income taxpayers and the Tax Counseling for the Elderly (TCE) program is designed to assist taxpayers age 60 and older with their tax returns. Most VITA and TCE sites offer free electronic filing and all volunteers will let you know about credits and deductions you may be entitled to claim. To find the nearest VITA or TCE site, visit IRS.gov or call 1-800-906-9887 or 1-800-829-1040.

As part of the TCE program, AARP offers the Tax-Aide counseling program. To find the nearest AARP Tax-Aide site, call 1-888-227-7669 or visit AARP's website at www.aarp.org/money/taxaide.

For more information on these programs, go to IRS.gov and enter keyword "VITA" in the upper right-hand corner.

Evaluating the quality of our telephone services. To ensure IRS representatives give accurate, courteous, and professional answers, we use several methods to evaluate the quality of our telephone services. One method is for a second IRS representative to listen in on or record random telephone calls. Another is to ask some callers to complete a short survey at the end of the call.

Walk-in. Many products and services are available on a walk-in basis.

- *Products.* You can walk in to many post offices, libraries, and IRS offices to pick up certain forms, instructions, and publications. Some IRS offices, libraries, grocery stores, copy centers, city and county government offices, credit unions, and office supply stores have a collection of products available to print from a CD or photocopy from reproducible proofs. Also, some IRS offices and libraries have the Internal Revenue Code, regulations, Internal Revenue Bulletins, and Cumulative Bulletins available for research purposes.

- *Services.* You can walk in to your local Taxpayer Assistance Center every business day for personal, face-to-face tax help. An employee can explain IRS letters, request adjustments to your tax account, or help you set up a payment plan. If you need to resolve a tax problem, have questions about how the tax law applies to your individual tax return, or you are more comfortable talking with someone in person, visit your local Taxpayer Assistance Center where you can spread out your records and talk with an IRS representative face-to-face. No appointment is necessary—just walk in. If you prefer, you can call your local Center and leave a message requesting an appointment to resolve a tax account issue. A representative will call you back within 2 business days to schedule an in-person appointment at your convenience. If you have an ongoing, complex tax account problem or a special need, such as a disability, an appointment can be requested. All other issues will be handled without an appointment. To find the number of your local office, go to www.irs.gov/localcontacts or look in the phone book under *United States Government, Internal Revenue Service*.

Taxpayer Advocate Service. The Taxpayer Advocate Service (TAS) is your voice at the IRS. Our job is to ensure that every taxpayer is treated fairly, and that you know and understand your rights. We offer free help to guide you through the often-confusing process of resolving tax problems that you haven't been able to solve on your own. Remember, the worst thing you can do is nothing at all.

TAS can help if you can't resolve your problem with the IRS and:

- Your problem is causing financial difficulties for you, your family, or your business.

- You face (or your business is facing) an immediate threat of adverse action.

- You have tried repeatedly to contact the IRS but no one has responded, or the IRS has not responded to you by the date promised.

If you qualify for our help, we'll do everything we can to get your problem resolved. You will be assigned to one advocate who will be with you at every turn. We have offices in every state, the District of Columbia, and Puerto Rico. Although TAS is independent within the IRS, our advocates know how to work with the IRS to get your problems resolved. And our services are always free.

As a taxpayer, you have rights that the IRS must abide by in its dealings with you. Our tax toolkit at www.TaxpayerAdvocate.irs.gov can help you understand these rights.

If you think TAS might be able to help you, call your local advocate, whose number is in your phone book and on our website at www.irs.gov/advocate. You can also call our toll-free number at 1-877-777-4778 or TTY/TDD 1-800-829-4059.

TAS also handles large-scale or systemic problems that affect many taxpayers. If you know of one of these broad issues, please report it to us through our Systemic Advocacy Management System at www.irs.gov/advocate.

Low Income Taxpayer Clinics (LITCs). Low Income Taxpayer Clinics (LITCs) are independent from the IRS. Some clinics serve individuals whose income is below a certain level and who need to resolve a tax problem. These clinics provide professional representation before the IRS or in court on audits, appeals, tax collection disputes, and other issues for free or for a small fee. Some clinics can provide information about taxpayer rights and responsibilities in many different languages for individuals who speak English as a second language. For more information and to find a clinic near you, see the LITC page on www.irs.gov/advocate or IRS Publication 4134, *Low Income Taxpayer Clinic List*. This publication is also available by calling 1-800-829-3676 or at your local IRS office.
