(iv) Any entity that no longer meets the criteria for an exemption under paragraph (c)(2) of this section shall file a report within 30 calendar days after the date that it no longer meets the criteria for any such exemption.

(2) Updated report. A reporting company shall file an updated report in the form and manner specified in paragraph (b)(4) of this section within 30 calendar days after the date on which there is any change with respect to any information previously submitted to FinCEN, including any change with respect to who is a beneficial owner of a reporting company and any change with respect to information reported for any particular beneficial owner or applicant.

(i) If a reporting company meets the criteria for any exemption under paragraph (c)(2) of this section subsequent to the filing of an initial report, this change will be deemed a change with respect to information previously submitted to FinCEN, and the entity shall file an updated report.

(ii) If an individual is a beneficial owner of a reporting company because the individual owns at least 25 percent of the ownership interests of the reporting company and such individual dies, a change with respect to required information will be deemed to occur when the estate of a deceased beneficial owner is settled, either through the operation of the intestacy laws of a jurisdiction within the United States or through a testamentary deposition. The updated report shall remove the deceased former beneficial owner and, to the extent appropriate, identify any new beneficial owners.

(3) Corrected report. A reporting company shall file a corrected report in the form and manner specified in paragraph (b) of this section within 14 calendar days after the date on which such reporting company becomes aware or has reason to know that any required information contained in any report under this section was inaccurate when filed and remains inaccurate. A corrected report filed under this paragraph (a)(3) within this 14-day

period shall be deemed to satisfy 31 U.S.C. 5336(h)(3)(C)(i)(I)(bb) if filed within 90 calendar days after the date on which an inaccurate report is filed.

(b) Form and manner of reports. Each report or application submitted under this section shall be filed with FinCEN in the form and manner that FinCEN shall prescribe in the forms and instructions for such report or application, and each person filing such report shall certify that the report is accurate and complete.

(3) Special rules—

(i) Reporting company owned by exempt entity. If an exempt entity under paragraph (c)(2) of this section has or will have a direct or indirect ownership interest in a reporting company and an individual is a beneficial owner of the reporting company by virtue of such ownership interest, the report shall include the name of the exempt entity rather than the information required under paragraph (b)(1) of this section with respect to such beneficial owner.

If an entity would be a reporting company but for paragraph (c)(2)(xviii) of this section, and is formed under the laws of a foreign country, such entity shall be deemed a reporting company for purposes of paragraphs (a) and (b) of this section, except the report shall include the information required under paragraph (b)(1) of this section solely with respect to an individual who exercises substantial control over the entity. If more than one individual exercises substantial control over the entity, the entity shall report information with respect to the individual who has the greatest authority over the strategic management of the entity.

If a reporting company was created or registered before [effective date of the final rule], and any company applicant died before [one year after effective date of the final rule], the report shall include that fact, as well as any information required under paragraph (b)(1) of this section of which the reporting company has actual knowledge with respect to such company applicant.

(4) Contents of updated or corrected report. If any required information in an initial report is inaccurate or there is a change with respect to any such required information, an updated or corrected report shall include all information necessary to make the report accurate and complete at the time it is filed with FinCEN. If a reporting company meets the criteria for any exemption under paragraph (c)(2) of this section subsequent to the filing of an initial report, its updated report shall include a notification that the entity is no longer a reporting company.

(i) Application for FinCEN identifier.

(A) An individual may obtain a FinCEN identifier by submitting to FinCEN an application containing the information about themselves required under paragraph (b)(1) of this section.

(B) A reporting company may obtain a FinCEN identifier by submitting to FinCEN an application at or after the time that the entity submits an initial report required under paragraph (b)(1) of this section.

(C) Each FinCEN identifier shall be specific to each such individual or reporting company, and each such individual or reporting company may obtain only one FinCEN identifier.

(ii) Use of FinCEN identifier.

(A) If an individual has obtained a FinCEN identifier and provided such FinCEN identifier to a reporting company, the reporting company may include such FinCEN identifier in its report in lieu of the information required under paragraph (b)(1) of this section with respect to such individual.

(B) If a reporting company has obtained a FinCEN identifier, the reporting company may include such FinCEN identifier in a report in lieu of the information required under paragraph (b)(1) of this section with respect to such reporting company.

(C) If an individual is or may be a beneficial owner of a reporting company by an interest held by the individual in an entity that, directly or indirectly, holds an interest in the reporting company, and if such intermediary entity has obtained a FinCEN identifier and provided the entity's FinCEN identifier to the reporting company, then the reporting company may include such entity's FinCEN identifier in its report in lieu of the information required under paragraph (b)(1) of this section with respect to such individual.

(D) Any individual or entity that obtains a FinCEN identifier shall file an updated or corrected report to update or correct any information previously submitted to FinCEN in an application for a FinCEN identifier. Such updated or corrected report shall be filed at the same time and in the same manner as updated or corrected reports filed under paragraph (a) of this section.

An individual who has the right or ability to exercise substantial control as specified in paragraph (d)(1) of this section and this paragraph (d)(2) shall be deemed to exercise such substantial control.

(3) Ownership interests.

(i) The term “ownership interest” means:

- (A) Any equity, stock, or similar instrument, certificate of interest or participation in any profit sharing agreement, preorganization certificate or subscription, transferable share, voting trust certificate or certificate of deposit for an equity security, interest in a joint venture, or certificate of interest in a business trust, without regard to whether any such instrument is transferable, is classified as stock or anything similar, or represents voting or non-voting shares;
- (B) Any capital or profit interest in a limited liability company or partnership, including limited and general partnership interests;
- (C) Any proprietorship interest;
- (D) Any instrument convertible, with or without consideration, into any instrument described in paragraph (d)(3)(i)(A), (B), or (C) of this section, any future on any such instrument, or any warrant or right to purchase, sell, or subscribe to a share or interest described in paragraph (d)(3)(i)(A), (B), or (C) of this section, regardless of whether characterized as debt; or

(E) Any put, call, straddle, or other option or privilege of buying or selling any of the items described in paragraph (d)(3)(i)(A), (B), (C), or (D) of this section without being bound to do so.

(ii) An individual may directly or indirectly own or control an ownership interest of a reporting company through a variety of means, including but not limited to:

(iii) In determining whether an individual owns or controls 25 percent of the ownership interests of a reporting company, the ownership interests of the reporting company shall include all ownership interests of any class or type, and the percentage of such ownership interests that an individual owns or controls shall be determined by aggregating all of the individual's ownership interests in comparison to the undiluted ownership interests of the company.

(4) Exceptions. Notwithstanding any other provision of paragraph (d) of this section, the term "beneficial owner" does not include:

(i) A minor child, as defined under the law of the State or Indian tribe in which a domestic reporting company is created or a foreign reporting company is first registered, provided the reporting company reports the required information of a parent or legal guardian of the minor child as specified in paragraph (b)(3)(ii) of this section;

(v) A creditor of a reporting company.

For purposes of this paragraph (d)(4)(v), a creditor is an individual who would be a beneficial owner under the other provisions of paragraph (d) of this section solely through rights or interests in the company for the payment of a predetermined sum of money, such as a debt and the payment of interest on such debt. For the avoidance of doubt, any capital interest in the reporting company, or any right or interest in the value of the reporting company or its profits, are not such rights or interests for payment of a predetermined sum, regardless of whether they take the form of a debt instrument. If the individual has a right or ability to convert the right to payment of a predetermined sum to any form of ownership interest in the company, that individual is not a creditor of a reporting company for purposes of this section.
