## **Revenue Procedure 2009-20, Section 8.01**

Taxpayers that do not use the safe harbor treatment provided by this revenue procedure

A taxpayer that chooses not to apply the safe harbor treatment provided by this revenue procedure to a claimed theft loss is subject to all of the generally applicable provisions governing the deductibility of losses under § 165. For example, a taxpayer seeking a theft loss deduction must establish that the loss was from theft and that the theft was discovered in the year the taxpayer claims the deduction. The taxpayer must also establish, through sufficient documentation, the amount of the claimed loss and must establish that no claim for reimbursement of any portion of the loss exists with respect to which there is a reasonable prospect of recovery in the taxable year in which the taxpayer claims the loss.
