## Notice: Now Accepting New Applications for Economic Injury Disaster Loans (EIDL)

In response to the Coronavirus (COVID-19) pandemic, small business owners and non-profit organizations in all U.S. states, Washington D.C., and territories are able to apply for an Economic Injury Disaster Loan (EIDL). EIDL is designed to provide economic relief to businesses that are currently experiencing a temporary loss of revenue. EIDL proceeds can be used to cover a wide array of working capital and normal operating expenses, such as continuation to health care benefits, rent, utilities, and fixed debt payments.

**SBA resumed accepting new Economic Injury Disaster Loan (EIDL) applications on June 15 to all qualified small businesses, including U.S. agricultural businesses.**

The new eligibility for U.S. agricultural businesses is made possible by new authority granted by Congress in response to the COVID-19 pandemic.

Eligible small businesses, private-nonprofits and agricultural businesses may apply for the EIDL [here](#).
